

Communicator of the Year Award

Sponsored by the Community Affairs and Communications Network of the Ontario Hospital Association

The Ontario Hospital Association (OHA) is pleased to announce the call for nominations for the Communicator of the Year Award. This award will honour one Ontario hospital communicator for his or her outstanding contribution to hospital or provincial communications initiatives.

I. ELIGIBILITY

To be eligible for receipt of the Communicator of the Year Award, nominees must be a member of communications staff (or designate responsible for communication initiatives) at one of the OHA's member hospitals, organizations or associations. Nominees must demonstrate outstanding work in the field of health care communication, for the betterment of health care in Ontario. A commitment to excellence in communications and involvement in external networks, associations or professional affiliations are essential.

The OHA Public Affairs Department will appoint a selection committee to review all nominations and select the Communicator of the Year.
